SEVERN VIEW, Arnold, MD

Exuding elegance and timeless design, this brick Colonial spans over 6,600 square feet across three meticulously crafted levels on nearly an acre in the prestigious Severn View community. As the first home in the neighborhood, it boasts a stately presence with a double-door entry, intricate moldings, marble inlay hardwood floors, built-ins throughout, cozy fireplaces, and a deeded wide deep-water slip (mlw 5+), providing private access to the water. Step into the two-story foyer where a gracefully turned staircase welcomes you, flanked by formal living and dining rooms. The dining room showcases crown molding and wainscoting, while the living room's crown molding enhances its refined character. Large black-framed windows and French doors throughout provide a bold, rich contrast that amplifies the natural light and architectural details.

The expansive kitchen is designed for both casual and grand entertaining, featuring granite countertops, a generous island, sleek appliances including a double wall oven, a pantry, and a cozy dining area. Multiple windows and an oversized sliding glass door frame views of the deck and backyard. Adjacent, the great room impresses with a floor-to-ceiling stone fireplace, soaring two-story windows, and an arched doorway leading to a versatile den. Highlighted by Palladian windows, the den opens directly to the deck, offering a serene retreat or flexible

workspace. The main level's thoughtful circular floor plan connects seamlessly to a study with built-in bookcases, a powder room, and a unique bonus room ideal as a gift wrap area, exercise room, or hobby space, with convenient access to the garage.

Two staircases, one in the foyer and one near the garage entrance, provide effortless flow to the upper level. Upstairs, the primary suite is a private sanctuary with a luxurious en-suite bath featuring dual vanities, a soaking tub, a tiled shower, and a walk-in closet with custom built-ins. Four additional generously sized bedrooms share two full baths, with two bedrooms sharing an attached bath and the other two utilizing a hall bath. The upper level concludes with a fully equipped laundry room, complete with a utility sink and ample cabinetry.

The lower level evokes the ambiance of a high-end boutique hotel, with exquisite lighting including sconces, chandeliers, and recessed fixtures, upgraded carpeting, and multiple built-ins with granite counters and roll-out shelves. This level features spaces for recreation and media viewing with a second propane fireplace, a full bath, an optional bedroom with sitting area, and a kitchenette with granite countertops. Mirroring the main level's circular layout, the lower level also provides two staircases to the main floor and a walkout to the backyard. Additional features include two hot water heaters, a central vacuum system, and a side-loading two-car garage.

Outdoors, the home continues to impress with a deck accessible from two points with gates, perfect for children and pets, an expansive fenced backyard framed by trees for privacy, and an adorable playhouse outfitted with a mini-split for heat and AC that can also function as a storage shed. Residents of Severn View enjoy serene community amenities including a marina with kayak

storage, a fire pit, a gazebo, and picnic and play areas along Asquith Creek. Combining exquisite finishes, grand proportions, and a premier location, this home offers a rare opportunity to experience luxury, comfort, and effortless entertaining in one of the area's most distinguished communities.
